SUMMARY: On July 24, 1986, City Council approved a zoning change from I-1 to PCC-1 and a General and Final Plan of Development for Southpoint Plaza. At that approval, Fry's Food and Drug Stores was the major anchor at that shopping center. Condition #24 was placed specifically for Fry's standard hours for warehouse and vendors deliveries. Fry's was restricted to the hours between 6:00 A.M. to 11:00 A.M. City staff did not receive complaints from the adjacent neighborhood until last year when Fry's was working on an overall store remodel. During the construction time of that remodel, Code Enforcement staff received complaints from adjacent neighbors regarding noise coming from the grocery store. It was assumed that the noise came from trucks delivering groceries late at night. The applicant feels that the complaints were based on the remodel not deliveries. They also feel that the condition placed on Fry's in 1986 is too restrictive and has affected their business. Planning staff received a phone call from a neighbor expressing concerns about noise from delivery trucks. The applicant would like to modify that condition to allow deliveries from 7:00 A.M. to 10:00 P.M. Staff feels that the required delivery time from 6:00 A.M. to 11:00 A.M. is too restrictive and uncommon to grocery stores. Staff recommends that the previously approved condition #24 be modified to allow Fry's Food and Drug delivery time hours from 7:00 A.M. to 10:00 P.M.

COMMENTS: On July 24, 1986, City Council approved a zoning change from I-1 to PCC-1 and a General and Final Plan of Development for Southpoint Plaza. With that approval, Fry's Food and Drug Stores was the major anchor at the shopping center, condition #24 was placed specifically for Fry's standard hours for warehouse and vendors deliveries. Fry's was restricted to the hours between 6:00 A.M. to 11:00 A.M.

City staff did not receive complaints from the adjacent neighborhood until last year when Fry's was working on an overall store remodel. During the construction time of that remodel, Code Enforcement staff received complaints from adjacent neighbors regarding noise coming from the grocery store. It was assumed that the noise came from trucks delivering groceries late at night. The applicant feels that the complaints were based on the remodel not deliveries. They also feel that the condition placed on Fry's in 1986 is too restrictive and has affected their business.

Planning staff received a phone call from a neighbor expressing concerns about noise from delivery trucks. Neighbors main concern appears to be with store deliveries from midnight to 6:00 A.M.

The applicant would like to modify that condition to allow deliveries from 7:00 A.M. to 10:00 P.M. Staff feels that the required delivery time from 6:00 A.M. to 11:00 A.M. is too restrictive and uncommon to grocery stores. Staff recommends that the previously approved condition #24 be modified to allow Fry's Food and Drug delivery time hours from 7:00 A.M. to 10:00 P.M.

**REASON(S) FOR
APPROVAL:**

1. The requested modification to existing Council condition #24 (7:00 A.M. to 10:00 P.M.) appears not to be detrimental to surrounding property owners.

**CONDITION(S)
OF APPROVAL:**

1. Fry's Food and drug standard hours of delivery shall be between 7:00 A.M. to 10:00 P.M
2. Any significant verifiable police complaints (as determined by the City Attorney and Police Dept.) shall require the applicant to return to the City Council for re-evaluation of condition #1.
